

As Historians

The children will:
Sequence photos from different periods of their lives.

We will look into the use of plants through medicines over time and their uses. For example - perfumes, herbs for cooking.

We will look into old recipes and see how they have developed over time.

As Sportspeople

The focus this half term will be on outdoor activities.
PE will be on a Monday and Friday.

As Geographers

The children will study the geography of the school ground and make a tally chart about minibeasts. The children will recap physical features such as mountains, lakes, islands, valley, cliffs, rivers, forests and beaches. They will think about the habitats available in these places.

As Scientists

Explore and compare the difference between things that are living, dead, and things that have never been alive. Identify and name a variety of plants and animals in their habitats including micro-habitats.

As Writers

The children will:
Write poems, instructions and plant diaries linked to their work in science. Continue to have daily spelling, punctuation, and grammar sessions. Engage in daily guided reading lessons with a focus on comprehension tasks.

As Computer Technicians

The children will:
Learn how to improve the presentation of a piece of work by combining graphics, text and sound.

Begin to answer 'what if' questions using scratch.

As Artists / Technicians

The children will:
The children will: Study the work of Jackson Pollock and create abstract art based on a minibeast. We will be focusing on pattern and texture as well as different ways of adding detail.

In DT the children will design and make their own moving minibeasts.

As Mathematicians

The children will be revisiting key knowledge they have learned so far in preparation for Year 3.
