

### Communication and Language

#### Literacy

We will enjoy listening to lots of our favourite stories and poems.  
We will share our thoughts and ideas and remember we need to listen to each other.

We will have lots of fun writing our names and labelling our pictures and models.  
We will have fun talking and writing about our adventures in the holidays.  
We will work together to write our own stories, offering our own thoughts and ideas.

We will work hard to learn to recognise letters and the sounds they make.

### Mathematics

We will be busy counting and sorting.  
We will begin to subitise a number of objects in a small group.  
We will work hard recognising and ordering numbers.  
We will work together to measure each other.  
We will continue, copy and create repeating patterns.  
We will weigh ingredients when baking.

### Understanding the world

We will enjoy talking about ourselves and our families and the things we enjoy doing together.  
We will look at how we have grown and changed.  
We will describe and observe changes in ourselves over time (baby-toddler-now).  
We will learn about the different jobs people do in our school.  
We will talk about where we live.  
We will go on a walk around the school grounds and around Kirkby Stephen.  
We will use our senses to be aware of the world around us.  
What did we see, hear, and smell?  
We will spend time outside and observe seasonal changes.

# All About Me!

Reception, Autumn Term 1

Mrs Allinson

### Physical Development

We will enjoy jumping, climbing, running and dodging games.  
We will throw and catch different sized balls.

We will develop our small motor skills using pencils, pens and paintbrushes to form recognisable shapes and letters.  
We will hold scissors and begin to be able to cut out shapes.

We will further develop the skills we need to manage the school day successfully: lining up, queuing, mealtimes.

### Expressive Arts

We will be painting, cutting, sticking and creating.  
We will sing and dance together.  
We will print with our hands and feet!  
We will have fun drawing/painting a self-portrait.  
We will paint and draw pictures of things we like.  
We will mix colours.  
We will work hard to make models with playdough and clay.  
We will use our imagination and always be proud of our wonderful creations.

### Personal Social and Emotional Development

We will enjoy playing and sharing together.  
We will see ourselves as a valuable individual and member of the class.  
We will listen to each other and take turns.  
We will choose what we want to do and keep busy trying new things.  
We will learn that there are times we can jump, run and shout and times when we need to sit and listen to others.
